## TOM COTTER

Tom Cotter first took the comedy scene by storm after finishing runnerup and becoming the **Breakout Star** from Season 7's "**America's Got Talent**." He lost to a dog act, but don't hold that against him; Tom was the first comedian ever to be a finalist and was the highest finishing human being on the show that year. The following year, AGT asked Tom back to perform as a special guest star (along with **Train**) and then again to host "**The Season 8 AGT Snapple Viewing Party**." In January 2019 Tom was again invited back to the AGT stage to perform against the best of the best performers from other years and around the world in "**America's Got Talent: The Champions**."

In one of the most talked about sets of the competition, Tom received a **STANDING OVATION** from the adoring crowd. Tom's other numerous television and radio credits include "**The Tonight Show**," "**Last Comic Standing**," his very own "**Comedy Central Presents... Tom Cotter**," **The Howard Stern Show**, **Comics Unleashed**, multiple appearance on CBS' "**The Late Late Show**" and Celebrity Host of "**Gotham Comedy Live**" on AXS-TV.

You can find Tom headlining all of America's most famous comedy clubs including: **The Improv**, **The Comedy Cellar** and **The Gotham Comedy Club** just to name a few. Tom has also been featured at the Montreal "Just For Laughs" and HBO Comedy Arts Festivals. Tom's appeal is truly international as he was summoned to London to tour and perform on British Television, and won **The Seattle International Stand-Up Comedy Competition** and **Boston Comedy Festival** winning by the largest margin of victory in the history of the event."

Tom came out with his first book, "**Bad Dad: A Guide to Pitiful Parenting**" (Willow Street Press) in February, 2016 which is a collection of jokes, gags, one-liners and pithy bad advice for fed-up parents everywhere. . Look for his new special "**Tom Cotter: Rapid Fire**" to be released on multiple platforms later this year.

## CORY KAHANEY

Cory Kahaney is quite simply one of America's premiere stand up comedienne. While always in constant demand at comedy clubs coast to coast, Cory first caught fire after being a finalist in NBC's hit reality show **"Last Comic Standing"** which has led to appearances on NBC's **"The Carson Daly Show,"** Comedy Central's **"Tough Crowd with Colin Quinn"** and her first solo special, **"Comedy Central Presents... Cory Kahaney."** Other television credits include numerous appearances on CBS' **"The Late Late Show,"** hosting a week of NBC's **"Later"** as well as **"The Martin Short Show,"** **"The View,"** **"Politically Incorrect with Bill Maher,"** CBS' **"The Late Show with David Letterman,"** NBC's **"America's Got Talent,"** TBS' **Conan** and an absolute kill on the CBS' **"Late Show with Steven Colbert."**

Her off-Broadway hit **"The J.A.P. Show"** ran for six months in New York City and continues to tour the country under a new name, **"The Princesses of Comedy"** selling out theaters to rave reviews. Cory also performs regularly at Las Vegas and Atlantic City's best casinos including **The Tropicana, Harrah's** and **Caesar's Palace.** Look for more high profile appearances in the near future from this very funny woman!

**Robert Cait's** brilliant Jewish stand-up comedy has earned him the prestigious title: **"George Carlin with a kippah."** With one wonderful exception: Robert works "Kosher-Clean!" His hilarious stand-up has kept audience's rolling from **"The Just For Laughs Comedy Festival"** in Montreal to the **"Howard Stern Show"** in New York, to **"Dennis Miller Live"** in Las Vegas and in theaters from coast to coast. From the unaffordable, high cost of Jewish education, to what makes Israelis tick, to bizarre holiday foods, Robert connects with Jewish audiences at their deepest and most hysterical levels. His act is sprinkled with Hebrew and Yiddish (he's fluent in both!) making him one of the most unique and sought after Jewish comedians performing today.

Now living and thriving in Los Angeles, Cait's remarkable voice talents have landed him in countless films, television series and recognizable commercials such as the voice of **"Duke the Dog"** for Bush's Baked Beans, Boris Badenov for DreamWorks' **"Bullwinkle"** cartoons, Norm the Genie for Nickelodeon's **"Fairly Odd Parents"**, Colossus from **"X-Men"** and more. His stand-up is clean enough for his own Bubbie to watch, while still connecting to a wide demographic. He has been lauded by critics for his comedy on MTV, A&E and Comedy Central and has been in several films honored by the Academy of Motion Picture Arts & Sciences. **From the Oscar®** winning Best Feature Documentary **"A Long Way Home"** to the **DreamWorks Oscar®** nominated Best Animated feature **"Spirit: Stallion of the Cimarron"**, he has impressed producers with his wide interpretive range.
