## Michal Cohen

Royal Passover is excited to announce that Michal Cohen, director of MAZ Entertainment will be joining us this year as our KIDIS Camp, Head Counselor. Michal's lifelong passion for music, song, and dance, evident in her early days of choreographing school productions, has been the driving force behind her endeavors. Her natural leadership and ability to connect with youth led her to volunteer with Shalva, igniting her mission to spread joy among young people through music and movement.

In 2020, she brought this mission to life by founding MAZ Entertainment, widely recognized for its vibrant dance floors at Bat Mitzvahs and events across Florida. Extending her influence, she has ventured into schools and shuls, guiding performances and leading Simchas in cities such as Chicago and Cleveland. Furthermore, with the establishment of MAZ Dance Studio, Michal has created a nurturing space for youth to engage in positive dance experiences, instilling self-confidence and promoting healthy movement. Her infectious dance moves not only build self-confidence in kids but also foster a positive social and physical experience, bringing teens from diverse backgrounds together through the universal language of dance. Her warm personality, upbeat spirit, and love for every individual is what really defines her essence.

Royal Passover is thrilled to welcome Michal to be a motivator for our KIDIS Camp and Teen Program.
